

Dear Sirs,

I am a happy XM Radio subscriber. It is a great service, and I would appreciate it if you did not limit my rights as a subscriber to listen to any content that is available. In particular, please do not restrict XM from providing local traffic and weather channels. This extremely useful information could is conceivably going to save lives by giving people the information they need. Please reject the NAB"s petition 04-160.

Thank you,  
Mark Wainger
